HM 1000

Hanging Module

Description

10,000 mm (4,200 in.) long hanging module, fitting “Discreet Acoustics Modular” capsule modules. Includes a LED light indication ring, working on phantom power basis to enable the sound engineer to check system cabling by sight. This ring can be powered also externally or switched off. A bass roll off is included in the phantom power adapter (DPA). The required phantom power is 9–52 V. The wire is non twisting, even in changing temperature or moisture conditions. The colour of the cable is black, housing colour is grey.

Specifications

Powering: 9 to 52 volts phantom power

Phantom Power Adaptor (DPA):
Inline, with mini XLR interruption for passing through 11 mm diameter mounting hole

Connection: 3-pin XLR type

Cable Length: 10 m (400 in.)

Finish: dark grey matte

Size: 49 x 13 mm (1.96 x 0.52 in.)

Mounting: variable

Special Features/Applications:
modular microphone system for conferencing, theatres, houses of worships and many others more

Fitting Mounting Modules:
CK 31, CK 32, CK 33, CK 47, CK 80

Included Accessories: phantom power adapter, hanging clip

Optional Accessories: B 18 battery power supply
N 62 E, N 66 E AC power sup.
PS 3 F-lock panel mount socket

Features

- Fitting 5 different capsule modules
- Integrated switchable LED indication
- Integrated bass roll off
- Rugged design
- Non reflective grey colour

Architect's and Engineer's Specifications

The hanging module should have a cable length of 10,000 mm (4,200 in.). A light ring shall be included, powered by phantom power, but with the possibility to be deactivated. The power module shall include a jumper for low frequency roll off and shall terminate a 3-pin XLRM-type output connector.

The colour of cable shall be black, the colour of housing shall be non reflective grey. The hanging module shall be the AKG Acoustics HM 1000.

Graphical Data

AKG is constantly improving and modifying its products, therefore, specifications are subject to change without notice.

Limited Warranty

Valid only in the United States. AKG Acoustics warrants AKG products against defects in material or workmanship for a period of one year from the date of original purchase for use, and agrees to repair or, at our option, replace any defective unit without charge for either parts or labor. Important: This warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, the affixing of any attachment not provided with the product, loss of parts or connecting the product to any but the specified receptacles. This warranty is void unless service or repairs are performed by an authorized service center.

No responsibility is assumed for any special, incidental or consequential damages. However, the limitation of any right or remedy shall not be effective where such is prohibited or restricted by law. Simply take or ship you AKG product prepaid to our service department. Be sure to include your sales slip as proof of purchase date. (We will not repair transit damage under the no-charge terms of this warranty.) Note: No other warranty, written or oral is authorized by AKG Acoustics, Inc. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above exclusions and limitation may not apply to you.
