The Midnight 60 continues Celestion's tradition of delivering rich, classic British tone in innovative new ways, featuring the moving parts that were inspired by the V-Type design, but with a different magnet assembly which changes the overall tonal balance to give a sonic character more reminiscent of Celestion's vintage G12L speaker.

Whatever the genre, Midnight 60 provides an exhilarating sound in the classic Celestion style. Cleans are well-balanced with just enough top end to make the high frequencies sparkle. Overdriven this speaker brings searing rock tones, with plenty of low-end warmth and mid-band character.
