

- The device distributes an HDMI input signal to four HDMI outputs
- Resolution up to 2160p30 and 1080p60
- Supports HDMI 1.4
- HDMI-A in and outputs
- Supports 12-bit Deep Full HD, 3D and 4K × 2K video
- Supports standard audio, DSD audio and HD audio (HBR)
- Status LEDs for power supply, HDMI input and outputs
- Metal and plastic housing

Technical specifications

Resolutions	Input	up to 2160p30 and 1080p60
	Output	up to 2160p30 and 1080p60
Format	HDMI 1.4	
HDCP	yes	
Colour depth	12 bit	
Audio formats	Standard Audio, DSD Audio and HD Audio (HBR)	
Audio inputs	./.	
Audio outputs	./.	
Input connections	1 × HDMI type A	
Output connections	4 × HDMI type A	
Power supply	External power adapter, 100 – 240 V~ 50 / 60 Hz	
Operating voltage	5 V $\overline{=}$ / 2000 mA, centre positive	
Degree of protection	IP20	
Dimensions (W × D × H)	111 × 22 × 60 mm	
Weight	0.2 kg	
Ambient conditions	Temperature range	0 °C...40 °C
	Relative humidity	50 %, non-condensing

This device is intended to distribute a digital HDMI signal to four outputs. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts (e.g. knobs or the like) from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
