

Features

- Max. load capacity: 15 kg
- Quick release fastener (X stand)
- Rest depth: 34 cm
- Feet length: 50 cm
- Adjustable height from 62 cm (width 96 cm) to 96 cm (width 29 cm)
- Dimensions (W × H × D), folded: 990 mm × 70 mm × 500 mm
- Weight: 2.7 kg
- Colour: black
- Suitable case: item no. 501561, item no. 501562 (not included)

Mounting

Screw the feet and the rests to the stand with the included screws using an Allen key.

Ensure that plastic bags, packaging, etc. are disposed of properly and are not within reach of babies and young children. Choking hazard!

The plasticiser contained in the rubber feet of this product may possibly react with the coating of your parquet, linoleum, laminate or PVC floor and after some time cause permanent dark stains. In case of doubt, do not put the rubber feet directly on the floor, but use felt-pad floor protectors or a carpet.

When assembling the stand, pay attention not to squeeze your fingers.

In case of excessive loading, the stand might tip over, causing injury and property damage. Never exceed the specified maximum load capacity for the stand. When the stand is installed on soft or uneven ground, it may tip over and cause injuries and property damage. Place the stand on flat and solid surfaces only.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.
