

Solder-Free DC Patch Cable KIT

Scope of delivery

The kit contains:

- 5 m cable, superior shield with excellent transmission characteristics; set-up: 27 AWG stranded, 7 × 0,17" copper coated steel conductor, LLDPE insulation, tinned copper braided shielding (95% coverage), PVC coating
- 12 DC plugs
- 1 cable cutter
- 1 Phillips screwdriver

User manual

This manual contains important instructions for the safe operation of the product. Read and follow the safety instructions and all other instructions. Keep the manual for future reference. Make sure that it is available to all those using the product. If you sell the product to another user, be sure that they also receive this manual.

Our products are subject to a process of continuous development. Thus, they are subject to change.

Cutting cable

CAUTION

Risk of cutting

When handling the cable cutter, ensure sufficient distance between your fingers and the cable blade.

1. Determine the required cable length.
 2. Place the cable in the second opening of the cable cutter.
 3. Keep the cable cutter at a precise right angle to the cable.
 4. Turn the cable cutter around the cable five times.
- ⇒ The cable is cut at the intended location.

Connect the plug

1. Ensure that the cut edge of the cable is straight and clean.
2. Unscrew the Phillips screw on the DC plug.
3. Insert the cable end to the stop into the DC plug.
4. Reinsert the Phillips screw and retighten it.

Troubleshooting

1. If the cable does not work or if loss of sound or volume occurs, tighten the Phillips screw as tight as possible until the connection is established.
2. If this does not work, loosen the Phillips screw and ensure that the cable is cut off straightly and inserted firmly into the DC plug.

For the packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of.

Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.
