65 lbs. (29 kg)

Description:

The ValveKing 412 is a heavy duty loudspeaker cabinet designed to perfectly match the powerful ValveKing head. It is available as a slant cabinet and loaded with four rear-mounted, custom-designed 12" ValveKing speakers.

The ValveKing 412 can accommodate any playing style and emphasizes the low end while allowing chiming mids and highs to cut through for tight, rhythmic playing and thick chords.

3 + 2 YEAR LIMITED WARRANTY
