

Deltex Pro Keyboard Stand

The Deltex Pro's lightweight design, included single tier, and mounting attachment make it the perfect solution for performers using small and mid sized keyboards and controllers. Using the mounting attachment and our other accessories, the Deltex Pro is ideal for performers looking for an easy and attractive stand for laptop, iPad, and solo vocal performances .

NEW Sleek Design

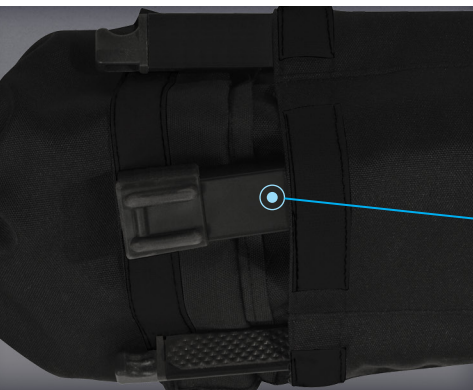

The sleek, lightweight, aluminum design of the Deltex™ makes it a breeze to carry and set up.

5/8" Threaded Mount

Deltex™ features an integrated microphone mount for mic booms, or accessories like our HyperPad iPad mount and HyperMount laptop holder.

Support Arms

The keyboard tier clamp and support tri-bars are the same as our Apex® AX-48 Pro. (Tier Holds 75 lbs.)

FREE Tote Bag Included

The bag is designed to hold the support arms and foot bar.
