Ensure that plastic wrapping, packaging, etc. is properly disposed of and kept out of reach of infants and young children. Suffocation hazard!

The plasticiser contained in the rubber feet of this product may possibly react with the coating of your parquet, linoleum, laminate or PVC floor and after some time cause permanent dark stains. In case of doubt, do not put the rubber feet directly on the floor, but use felt-pad floor protectors or a carpet.

The packaging consists of environmentally safe materials which can be recycled as usual. Ensure that plastic wrapping, packaging, etc. is properly disposed of. Do not just throw these materials out – make sure they get recycled. Follow the labels and symbols on the packaging.
