

F-5G MANDOLIN

The F-5G features all the singing tone and craftsmanship of the historic F-5 Fern, with less appointment and lighter ornamentation. This stunning modern masterpiece combines incredible affordability with the articulate, precise tone of a classic F-style Gibson mandolin. With flowerpot headstock inlay, Cremona Sunburst finish, and hand-engraved hardware, the F-5G is an understated beauty that carries on the incredible tradition of Gibson Original acoustic instruments.
