

# Millenium

## KB-2006 Keyboard Bench

Keyboard bench with a large seating surface

Adjustable height from 49 cm to 64 cm

Weight: 5.5 kg

Load: 120 kg (max.)

Cover: black artificial leather

Loosen the connecting screw of the two crossbars to adjust the seating at the height which suits you best.

Pull out the connecting screw and insert it in the borehole which corresponds to the desired seating height.

Re-tighten the connecting screw and check for tightness before using the keyboard bench.

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard!

For the packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.
