

**Power 8 S** (item number 386491, 386492 French pins)

- 8 × safety sockets on the rear panel
- Two-pin illuminated switch on front panel
- Mounting depth: 45 mm
- Power cable length: 2 m
- 19" rack mount / 1 RU
- 19" rack ears can be turned over
- Material: aluminium
- Colour: black

**Power 7 S** (item number 386493 UK pins)

- 7 × UK BS1363 sockets on the front panel
- Two-pin illuminated switch on front panel
- Mounting depth: 45 mm
- Power cable length: 2 m
- 19" rack mount / 1 RU
- 19" rack ears can be turned over
- Material: aluminium
- Colour: black

**Power 12 S IEC** (item number 386494)

- 12 × safety sockets on the rear panel
- Two-pin illuminated switch on rear panel
- 2 IEC sockets on the rear panel
- Mounting depth: 45 mm
- Power cable length: 3 m
- 70 cm / 1 HE
- Material: aluminium
- Colour: black

**Power 16 S** (item number 386495)

- 8 × safety sockets on front panel
- 8 × safety sockets on rear panel
- Separate fuses for front and rear socket groups
- Separate, two-pin illuminated switches for front and rear sockets
- Mounting depth: 90 mm
- Power cable length: 2 m
- 19" rack mount / 1 RU
- Material: aluminium
- Colour: black

**Power 3 Way** (item number 395625)

- Triple power socket strip in IP44 design
- Riveted
- Outgoing laterally 45°
- Power cable H07RN-F 3G1.5mm<sup>2</sup>, length 1.5 m
- Material: plastic
- Colour: black

### Power 6 Way (item number 395626)

- 6-fold power socket strip in IP44 design
- Riveted
- Outgoing laterally 45°

- Power cable H07RN-F 3G1.5mm<sup>2</sup>, length 1.5 m
- Material: plastic
- Colour: black

### Power 16 A 6 (item number 395634)

- 19" rack mount / 1 RU
- 3 × 2 sockets (marked in colour) on front panel

- Input: 5-pin CEE plug 16 A/380 V
- Power cable length: 2 m

### Power 8 S USB (item number 395636)

- 19" / 1 RU power socket strip / power distributor
- 19" rack ears can be turned over
- Two-pin illuminated switch on front panel
- 8 × safety sockets on rear panel

- 2 × USB port for charging  
(output voltage 5 V<sub>DC</sub>, current draw max. 2 A in total)
- Mounting depth: 54 mm
- Power cable length: 2 m
- Colour: black

### Power 8 (item number 415280)

- 8 × safety sockets on the front panel
- Mounting depth: 45 mm
- Power cable length: 2 m
- 19" rack mount / 1 RU

- 19" rack ears can be turned over
- Material: aluminium
- Colour: black

#### Intended use

These devices are intended to be used for power distribution. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

#### DANGER FOR CHILDREN

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

#### DANGER

##### Electric shock caused by high voltage inside

High voltage components inside the unit! Never remove any covers. Never remove any covers. No user-serviceable parts inside. In order to de-energize the device, disconnect the mains plug from the socket before connecting and disconnecting loads and before carrying out any maintenance work. Never use the device while covers or protectors are missing or damaged.

#### NOTICE

##### Possible damage due to overload or overheating

Do not daisy-chain distributors. Do not cover the device. Do not place the device directly next to a heat source.

#### PROTECT THE ENVIRONMENT

##### Disposal of the packaging material

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose these materials with your normal household waste, but make sure that they are fed to a recovery. Please follow the notes and markings on the packaging.

##### Disposal of your old device

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
