

- Waterproof, dustproof and airtight transport case with sturdy carrying handle
- Impact-resistant housing made of rigid plastic
- Rubber seal
- Front valve for pressure equalisation
- Fixed locking latch
- Convuluted foam and die-cut foam cubes on the bottom
- Material: Polypropylene (PP)
- International Protection Rating: IP65
- Temperature range: -25 °C...+75 °C
- External dimensions (W × H × D): 239 mm × 70 mm × 144 mm
- Internal dimensions (W × H × D): 213 mm × 50 mm × 116 mm
- Weight: 300 g

General information

This document contains important information. Read and follow the instructions. Keep the document for future reference. If you pass the product on to others, please include this document. Contents are subject to change. Please refer to the latest version of the documentation, which is ready for download under www.thomann.de.

Intended use

This product serves as a universal transport case. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damage resulting from improper use. This device may be used only by persons with sufficient physical, sensory, and intellectual abilities and having corresponding knowledge and experience. Other persons may use this device only if they are supervised or instructed by a person who is responsible for their safety.

Risk of injury and choking hazard for children!

Children can suffocate on packaging material and small parts. Children can injure themselves when handling the product. Never allow children to play with the packaging material and the product. Always store packaging material out of the reach of babies and small children. Always dispose of packaging material properly when it is not in use. Never allow children to use the product without supervision. Keep small parts away from children and make sure that the product does not shed any small parts that children could play with.

Environmentally friendly materials have been chosen for the packaging. These materials can be sent for normal recycling. Ensure that plastic bags, packaging, etc. are disposed of in the proper manner. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the instructions and markings on the packaging.
