- Colour: black

This device is used to set up and align speaker boxes. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

DANGER! Danger for children

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

CAUTION! Danger of tipping when transported under load

If the monitor stand is moved without having removed the speaker box, the stand may tip over and cause injuries and property damage. Remove the installed device before transporting the stand.

CAUTION! Danger of tipping on unsuitable surfaces

When the monitor stand is installed on soft or uneven ground, the stand may tip over and cause injuries and property damage. Install the stand only on even and solid surfaces.

CAUTION! Danger of tipping due to overload

In case of overload, the monitor stand may tip over and cause injuries and property damage. Never exceed the maximum load capacity specified for the stand.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.
