

Features

- Switchable power outlet strip / power distributor
- 3 × safety sockets
- 2 × USB charging port (output voltage 5 V_{DC}, current draw max. 2 A in total)
- Colour: black

Technical specifications

- Voltage supply: 230 V ~ 50 Hz
- Max. power consumption: 3680 W
- Max. current: 16 A
- Max. USB charge current: 2 A in total @5 V_{DC}
- Dimensions (W × H × D): 280 × 45 × 63 mm
- Cable length: 1,4 m
- Wire cross-section: 1.5 mm²

Intended use

This device is used to provide mains power via additional safety sockets. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

DANGER FOR CHILDREN

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

DANGER

Electric shock caused by high voltage inside

High voltage components inside the unit! Never remove any covers. Never remove any covers. No user-serviceable parts inside. In order to de-energize the device, disconnect the mains plug from the socket before connecting and disconnecting loads and before carrying out any maintenance work. Never use the device while covers or protectors are missing or damaged.

NOTICE

Possible damage due to overload or overheating

Do not daisy-chain distributors. Do not cover the device. Do not place the device directly next to a heat source.

PROTECT THE ENVIRONMENT

Disposal of the packaging material

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose these materials with your normal household waste, but make sure that they are fed to a recovery. Please follow the notes and markings on the packaging.

Disposal of your old device

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
