Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard!

When the transport cart is used on soft or uneven ground, the cart may tip over and cause injuries and property damage. Use the transport cart only on even and solid surfaces.

Take care not to crush your fingers/hands when folding and folding out the transport cart.

For the packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.
