

Features

- Monitor stand
- High quality and inexpensive
- Modern design
- Materials: Aluminium and plastic
- Fixed height: 88 cm
- Load capacity: 65 kg max.
- Weight: 6 kg
- Colour: black

This device is intended to be used as a monitor stand. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

Risk of tipping on excessive load

If the load is too high, the tripod can tip over and cause injuries and material damage. Never exceed the maximum load capacity specified for the tripod.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.
