

**Features**

- Chromatic tuner
- Allows superfast tuning
- Bright colour LCD
- Display rotatable by 360°
- Available tune modes:  
Chromatic/guitar/bass/violin/ukulele/ukulele-D
- Sensitive Piezo sensor
- Includes 3 V lithium battery
- Finish (matt rubberised):  
Red (318364) or black (493736)

**Technical specifications**

- Calibration 440 Hz – 449 Hz
- Battery Lithium button cell, CR 2032, 3 V
- Dimensions (W × H × D) 43 mm × 4 mm × 53 mm
- Weight 29 g
- Ambient conditions Temperature range 0 °C...40 °C  
Relative humidity 20 %...80 % (non-condensing)

**Intended use**

This device is intended for tuning musical instruments. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

**Danger for children**

Ensure that plastic bags, packaging, etc. are disposed of properly and are not within reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke! Never let children unattended use electrical devices!

**Electromagnetic compatibility other electrical equipment**

Using the device near radios or TV sets may cause interference. Then increase the distance between the devices.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.

Batteries must not be thrown away or incinerated; they must be disposed of in accordance with local regulations for the disposal of hazardous waste. Use the existing collection points for this.

Dispose lithium batteries only in discharged condition. Remove replaceable lithium batteries from the device before disposal. Protect used lithium batteries from short circuits, for example by covering the poles with adhesive tape. Permanently installed lithium batteries must be disposed of together with the device. Please inquire about a suitable acceptance point.

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
