

## Features

- 350 mW
- Runs smoothly with 8 ohm phones
- Loopable input signal
- 2 sets of headphones connectable
- Power adapter included
- Balanced 1/4" inputs (left, right)
- Dimensions (W x H x D): 108 x 45 x 90 mm (103 total depth)

## Technical specifications

Input	2 x 1/4" phone sockets, balanced
Input level	0 dBm (0.775 V)
Max. input level	+12 dBm
Input impedance	20 kΩ
Outputs	2 x 1/4" TRS sockets, unbalanced
Gain	+15 dB
Max. output level	+12 dBm
Output impedance	50 Ω

Load impedance	4 Ω – 600 Ω
Output power	0.35 W max.
Frequency response	20 Hz – 20 kHz (+0/-1 dB)
Total harmonic distortion	0.05 %
Signal-to-noise ratio	102 dB
Operating voltage	DC 12 V $\overline{=}$ , 300 mA
Dimensions (W x H x D)	100 x 44 x 87 mm
Weight	0.5 kg

This device is intended to be used for amplification and distribution of signals from audio devices and musical instruments to the connected headphones and audio devices. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts (e.g. knobs or the like) from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
