Preface

All together easy Ensemble! is a collection of arrangements and original pieces designed to successfully launch fledgling instrumentalists on their maiden flight into the exciting and rewarding world of ensemble playing. All the parts are of equal interest and importance and are written within comfortable ranges for each instrument. Each piece has a supporting piano part which can be used, if required, to reinforce the ensemble.

These pieces are also suitable for brass ensemble and further parts for trumpet, trombone and tuba are freely available from the website:

www.universaledition.com/alltogether3

Although very elementary, the pieces are substantial enough to be presented as ensemble performance material for music festivals or examinations. Having successfully mastered the pieces in *All together easy Ensemble!*, players can then progress to the *Centre Stage* series which offers slightly more challenging material in the same instrumental format with the added bonus of featuring a soloist!

Vorwort

All together easy Ensemble! ist eine Sammlung von Arrangements und Originalwerken, die den Jungfernflug von soeben flügge gewordenen Instrumentalisten in ein aufregendes und lohnendes Ensemblespiel erleichtern soll. Alle Instrumentalstimmen sind gleichermaßen interessant und wichtig, und sie sind für jedes Instrument in angenehmer Lage geschrieben. Jedes Stück hat eine unterstützende Klavierbegleitung, welche genutzt werden kann, um das Ensemble zu verstärken, sollte dies erforderlich sein.

Die Stücke können auch mit einem Blechbläserensemble gespielt werden. Dafür stehen Stimmen für Trompete, Posaune und Tuba als Gratis-Download unter der Adresse www.universaledition.com/alltogether3 zur Verfügung.

Trotz ihrer Einfachheit sind die Stücke substantiell genug, um als Konzert- oder Prüfungsliteratur zu dienen. Sobald die Spieler *All together easy Ensemble!* erfolgreich gemeistert haben, können sie zur Serie *Centre Stage* übergehen, die etwas anspruchsvollereres Material bietet; die Instrumentation ist dieselbe, allerdings mit dem speziellen Zusatz einer Solopartie!

Préface

All together easy Ensemble! réunit des arrangements et des compositions originales, avec un objectif : aider les musiciens en herbe à faire leurs premiers pas dans le monde captivant de la musique d'ensemble. Toutes les voix présentent le même intérêt et la même importance et sont écrites dans des tessitures confortables pour l'instrument concerné. Les pièces s'accompagnent d'une partie de piano qui peut être utilisée en renforcement, si nécessaire.

Elles peuvent aussi être jouées en ensemble de cuivres : rendez-vous sur le site www.universaledition.com/alltogether3 pour télécharger gratuitement les parties de trompette, trombone et tuba !

Bien que d'un niveau très élémentaire, les pièces sont assez substantielles pour être présentées lors d'une audition, d'un festival ou d'un examen. Lorsqu'ils maîtriseront les morceaux d'*All together easy Ensemble!*, les musiciens pourront passer au recueil *Centre Stage*, qui propose des pièces un peu plus difficiles pour les mêmes instruments, avec en bonus une partie de soliste !
